DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, JULY 15, 1948

VOL. 45, NUMBER 24

MAYOR BACKS ANNEXATION PLAN

HISTORY OF DALY CITY SHOWS TOTAL OF FIVE SEPARATE ANNEXATIONS

The history of annexation in Daly City reveals that there have been four annexations covering the period from 1924 to 1941 and one completed in 1948, bringing the total of annexations to five. These additions have made possible a steady growth in the city and include the following areas:

Annex 1 — On June 9, 1924, the city annexed the Metropolis Homestead Tract, which extended the southerly boundary of Daly City to include the land occupied by Jefferson Union High School. Except for this annexation, the high school would be outside of Daly City.

Annex 2 — On May 23, 1927, the city annexed part of the School House Extension Properties, thereby extending the southerly limits of Daly City across School street and making Vale street the southerly city limit.

Annex 3 — On August 24, 1931, the main portion of what had been the town of Colma was annexed, extending the city to the present southerly limits at Market street.

Annex 4 — On May 19, 1941, one block between Hillside boulevard and Abbey street, southerly to Market street, was annexed.

Annex 5 — On June 28, 1948, two blocks east of Hillside boulevard, between Thiers street and Bismark street, were annexed, adding approximately twenty new homes to the tax rolls of Daly City.

Doelger Tract To Be 43 Fined On Traffic Counts In Muni Court

A total of 43 fines for violation of traffic ordinances was collected last week in Daly City Municipal Court.

Of the total, 28 were levied on speed law violators; 10 on violations of the parking ordinance, and five on drivers who violated various portions of the driving code.

Speeders were Harry Baum, Richard Born, Phil Corsetti, Marjorie Cullen, Ann Ferris, Jack Finn, Mabelle Freethy, Arthur Gray, Clyde Haslett, Frances Hemi, Austin Kelly, Howard Leonard, Donato Lucchesi, Andrew Mahdik, John Matthews, Clyde Niemoller, Carl Pistolchini, Harold Raphael, Louis Rediker, Regdman, Palmira Reggioro, Clara Russo, Byron Slafter, Louis Sweet, Leroy Tripp Jr., and Irvin Wallace.

John Boyle, William Dillenbeck, Leslie Lehr, Frank Marsh, Milton Read, Julio Ruggiero, D. C. Scavenger Co., Julia Sonick, Manuel Stagnaro, and J. D. Roberts were fined for violations of the parking ordinance.

Incorrect arm signalling, negligent driving or driving without muffler were the charges listed against Albert Arrigli, Julio Cadei, Junior Childers, Ervin Wilson and John Attenisio.

The new annex will have lots a minimum of 33 feet wide, as compared with the conventional 25 feet lot, so that all homes will be detached, and provisions have been made so that electric poles will be located at the rear of the lots, thereby maintaining the beauty of the area.

In the development, streets, sidewalks, curbs and gutters, electrical water system, hydrants and fire alarm system will be installed at no expense to the city of Daly City, and homes will have standard lot restrictions and set-backs to provide uniformity throughout the area.

The new area will include a planned business area where it is contemplated that branches of downtown department stores will be established, and the residential and commercial areas are planned to be the most modern on the peninsula.

Provisions for a park site to be developed have been insured, and ten foot planted parkway along east-west Alemany cut-off will have an appearance similar to Dorris street and Park-Residio boulevard in San Francisco.

As the new homes become occupied, adding greatly to the population of Daly City, it is believed that the city will be able to handle the increased traffic facilities for the whole city, since increased traffic will make it profitable for the San Francisco Municipal Railway to extend facilities in this area.

Eagles Aerie Plans Series Of Fetes For Month Of July

A dance, a class initiation aiming at 60 candidates for induction, and a gala annual picnic are the social activities being planned for this month by the Colma - Vista Grande Aerie of Eagles.

In reciprocation for the dance given by the Ladies' Auxiliary in honor of Father's Day, the aerie has scheduled a social event for July 17. The Eagles' Haywire Band will be featured.

A class of 60 candidates for membership is expected to be initiated July 21 when Gus Ford, chairman of the membership committee, conducts the ceremony in honor of the aerie's business men. President Ray Lagomarsino has expressed the hope that a record class turns out for initiation.

George Wheeler, E. J. Smith and Larry Shaw are completing arrangements this week for the organization's second annual summer picnic since the end of the war. Always a gala affair, this year's annual outing is expected to draw one of the largest and merriest crowds ever.

A modern dinette set, now in display in the James Donohue showroom on Mission street, will be given away at the picnic.

Councilman Green Outlines City Tax Problems For Lions

Covering the trend of business license taxes in revenue problems which face municipalities today, Councilman Paul Green was speaker at the regular meeting of Lions International held at Estrada's restaurant yesterday.

The councilman pointed out that business license taxes make up only five per cent of municipal revenues. In attempting to broaden the tax base, Green said, councils must consider some measure which is fair to individual businesses as well as to the city, which provides the services making possible the concentration of population upon which business depends for its clientele.

After discussion of some of the factors used as the measure of license taxes, including flat fees, gross receipts, etc., Green outlined the possibility of a local retail sales tax of one-half of one per cent, which has been recommended by the League of California Cities and which has been put into effect in San Francisco and numerous other California cities.

Green is chairman of the council's finance committee which is engaged in a review of all ordinances affecting municipal revenues.

Merchants To Discuss Benefits Of Annexation

Possible re-activation of the Daly City Merchants Association was noted this week with the receipt by all former members of an invitation to a special meeting.

The letters, signed by Peter J. Markovich, president of the long-idle merchants' group, requested that all affiliates assemble at 8 p.m. next Monday in the city hall.

Object of the meeting, Markovich said, was a discussion on annexation — specifically, an annexation of the Westlake tracts to the west of Daly City. Councilman Paul Green will be one of the principal speakers.

Nomination of officers for the new year is expected, if the group re-organizes.

Nature Outings Planned This Week By All Playgrounds

Youngsters on all playgrounds will be given an opportunity to select their outings this week. The outings will follow the week's Nature theme.

A free two-hour movie program is offered each Monday from 10:30 a.m. to 12:30 p.m. Next Monday, in addition to the regular program of serials, short subjects and cartoons, a feature western will be shown.

All five playgrounds are supervised by qualified college recreation leaders from 9:30 a.m. to 5 p.m., except during the hours of city-wide special events. Supervised and free play is available in addition to these instructional groups.

Baseball school (Tuesday and Thursday from 10 a.m. 'til noon); arts and crafts, basketball league, badminton, folk dancing, chorus, tumbling, tennis and swimming.

New Superintendent Takes Over Duties In School Office

Pouring over records, budgets, plans and procedures of the Jefferson Elementary School District this week is James L. Snell, new district superintendent of schools.

Accompanied by his wife and three young children, Snell arrived in Daly City this week to take over his executive duties and install himself in his offices at the administration building adjacent to Woodrow Wilson school.

The young superintendent, who has spent 20 of his 38 years in the education field, had little to say this week about his new responsibilities — except that he expects to spend the rest of the summer becoming thoroughly acquainted with the district's problems. A first look at the newly adopted teachers' salary schedule, Snell commented, revealed a "scale fairly commensurate with salaries throughout the state."

The superintendent will be available for interview in his offices for the remainder of the summer.

D.C. Man Hurt In Auto-Truck Mishap Saturday

Rudolph H. Schubert, 50-year-old truck driver of 288 Westlake avenue, was taken to Mills Hospital last Saturday after suffering a brain concussion in an accident on the Bayshore freeway.

Highway patrolman said Schubert was hurt when his truck crashed into a car driven by Miss Elizabeth Ann Smyth, 22, Hillsborough socialite and UC student. Miss Smyth was treated for shock. Patrolman said Schubert had driven through a red light at Broadway, Burlingame.

GRAND TIME SLATED FOR THE CHILDREN FRIDAY, NEXT WEEK

Pet Show, Pie Eating Contest Are On Day's Program

Next week is Nature Week in the Daly City Recreation Department's summer program. At all of the city's playgrounds, children will be preparing for the week's feature event — an all-city pet show — scheduled for Friday.

From cats to canaries, dogs to monkeys, the pets will be groomed and perfumed for the Friday competition. Other attractions of the day will be special contests between pets, novelty races and skill competitions.

The schedule: 9:30 a.m., register pets and assign them to places for exhibit; 10 a.m., parade of pets; 10:15, judging of pets; 10:30, frog jumping contest and turtle race; 10:45, tug-of-war contest between playgrounds; 11 a.m., novelty races; 11:10, relay; 11:20, bubble gum contest; 11:30, watermelon eating contest; 11:40, pie eating contest.

Dogs, cats, barnyard animals, reptiles, amphibians, bugs and insects, fowl, rodents, fish and miscellaneous pets will be acceptable in the show. Director Elman Rose has instructed pet owners to "dress

BELLI MOTORS BURGLARIZED OVER WEEK END

A break-in and burglary which netted the perpetrators some \$131 in cash was reported Monday morning by proprietors of the Belli Motors.

Some time between closing time Friday night and opening Monday morning, the police were informed, burglars had broken into the Belli office, pried open the money drawer in the desk, and taken \$131.33. No other valuables were disturbed.

Entrance apparently was gained, police said, by breaking a glass pane next to a sliding door in the back of the garage. The door to the parts department had been pried open, and a wood transom above the door damaged. Officers said the burglars also had unlatched the office door and snapped the padlock off the sliding door in the rear of the garage.

Retired Baker Dies At 71

Funeral services were held today for Christian Albert Munz, 71-year-old retired baker, who died Monday at his home, 6348 Mission street.

A native of Grav, Germany, Munz had come to California 55 years ago. A resident of Daly City for some 19 years, the deceased was proprietor of the Belli Bakery here until sickness forced his retirement a few years ago.

Survivors include his brother, Eugene J. Munz, and two nieces, Mrs. Selma Darr and Mrs. Elsie Biggerstaff.

Services were conducted from the chapel of W. C. Lasswell Mortuary, followed by interment in Olivet Memorial Park.

Assemblyman Lends Aid To Secure Traffic Signals

Application was made last week by Richard J. Dolwig, California state assemblyman from this district, for the installation of traffic signals at the School street-Junipero Serra boulevard intersection west of Colma.

In a letter addressed to J. W. Vickrey, traffic and safety engineer for the Division of Highways, Dolwig made this appeal:

"In response to the request of A. J. Gaggero, mayor of Daly City, I would like to bring to your attention the need for traffic signals at the intersection of School street, 87th street and Junipero Serra boulevard in this city."

"This intersection provides ingress and egress for the residents of Broadmoor and Garden Villages, totaling 1200 residences, to the Peninsula, San Francisco and the business section of Daly City. Numerous serious accidents have occurred there in the past few months. It is rapidly developing into a real traffic hazard, which will be increased by the traffic attracted by a super-market being erected there."

"I will appreciate it if you will make the necessary surveys and let me know about the possibilities of a traffic signal installation with left turn islands in the immediate future."

"May I take this opportunity to thank you for your cooperation in these matters in the past."

Policeman Hurt In Accident On Motorcycle

Police Officer Ed Beecher, motorcycle traffic officer for the Daly City Police Department, sustained a severely lacerated leg last Saturday in an accident in front of 6422 Mission street.

Beecher was taken to Junipero Serra Hospital for emergency treatment Saturday when his motorcycle was struck by a car driven by Charles Obert Klink, of San Francisco.

Highway Patrolman Lloyd Minehan, who witnessed the accident, said Klink had been driving south of traffic when he swerved to the left to avoid hitting a parked car. Beecher, who was riding south in the first lane of traffic, was struck on the right leg.

School Nurse Attends Health Institute At UC

Mrs. Sylvia Eastham, health nurse for the Jefferson Elementary School District, returned last week from an intensive three-week instruction course at the University of California.

Speakers at the public health institute included leading education and medical figures from throughout the state. Mornings were given over to lectures, while afternoons were devoted to workshop instruction.

Purpose of the institute, Mrs. Eastham said, was to advance the coordination of health instruction with school curriculum.

High School PTA Head Attends Program Meeting

Last week Mrs. Mildred McGeein, president of the Jefferson Union High School P.T.A., attended a meeting of secondary presidents conducted by Mrs. M. Foley, Seventh District president, to discuss plans for the fall programs of high school units.

Earlier in the month Mrs. McGeein and several members attended the District School of Instruction in regard to program and finance. Those accompanying the president were Mrs. Hilda Heagney, Mrs. Frieda Cady and Mrs. Catherine Foreman.

Work on the fall bazaar has already been started and the date is set for November 5.

George F. Gigli Enlists In Navy

George Francis Gigli, nephew of Elmer Gigli of 6842 Mission street, Daly City, enlisted in the Navy at the Navy Recruiting Station, Redwood City, on July 1.

George will go through recruit training at the Naval Training Center, San Diego. At the end of his eleven weeks of recruit training he will receive 12 days of recruit

KENNEDY-BENASSINI RECEIVE APPOINTMENTS AS BATTALION CHIEFS

Ralph Capps To Head Legion Post

Ralph Capps, local youth leader and popular young sports enthusiast, was elected to the chair of the Daly City Post No. 410, American Legion, last Thursday evening.

Capps will be installed July 26 in formal induction rites at the Legion Hall, 474 San Diego avenue. Other members of the new governing body will be:

Peter D. Bordson, first vice-commander; Eugene G. Lowrey, second vice-commander; Felix Foreman, finance officer (his 17th consecutive year); Ed Trier, chaplain; John J. Derungs, historian; Martin A. Pahlka, sergeant-at-arms, and John C. Kollman, adjutant. The adjutant post is the only Legion office subject to appointment.

Emil J. Pahlka, James Halloran, John Matzek, Marall Smith and J. Jester will serve on the executive committee. Ralph Capps, new commander, will serve as chairman of both the district delegation and the department convention delegation.

Emil Pahlka, Peter Bordson, Eugene Lowrey and Martin Pahlka will complete the list of district delegates. Capps will be accompanied to department conventions by Emil Pahlka, John Derungs, E. Anderson and Marall Smith.

Vacation School Now In Session At Ocean View Church

The Rev. Joseph Bennett, pastor of the Ocean View Congregational Community Church, has invited all members of the community to attend services this Sunday at the Broad street church.

Theme of the sermon, Rev. Bennett said, will be "Pharisees Yesterday and Today." Sunday school classes for all ages start at 9:45 a.m. Children are cared for in a nursery during the worship hour.

During the summer months, a vacation church school is held for youngsters daily at 9 a.m. A Boy Scout troop also is being organized at the church.

Five Pay Fines On Drunk, Disturb. The Peace Counts

Three men pleaded guilty to counts of drunkenness in or about automobiles, and two to disturbing the peace last Friday before Judge William J. Sweeney in Daly City Municipal Court.

Fines of \$50 each were levied on Roger Tays, 28 Shakespear street, and Y. Robert H. Houston, of San Francisco. Tays was arrested July 3 by Officers James Welsh and David Johnstone while getting into his car, which was parked in a cab zone on Hillcrest drive. Officers John Walsh and Charlie Munday signed the complaint against Houston, who was arrested July 2 while attempting to start his car in the 6200 block on Mission street.

Emil Zichosch of San Francisco paid a fine of \$100 when he pleaded guilty to a drunk charge proffered by Sergeant Roy Beecher and Officer David Johnstone. He was arrested July 3 after his car had crashed into another car on Crocker avenue, bouncing off the other vehicle and coming to rest against a house. Ann Magnuson of San Francisco, a passenger in Zichosch's car, sustained face injuries in the accident.

Nicholas Gallagher, of 215 Los Olivos avenue, and Donald Squire New, 698 Evergreen street, were fined \$50 each when they pleaded guilty to disturbing the peace charges signed by Officer John Walsh. The two men were arrested last Friday while fighting in a Mission street tavern.

leave to come home and visit relatives and friends. George stated that while at San Diego he plans to try for the Navy's Machinist School, a navy trade school which teaches a young man the operation and upkeep of all types of machinery used in the Navy.

Young men desiring information about trade training offered by the Navy or any information in regard to enlisting in the Navy drop in at the County Court House, Redwood City, and ask your Navy Recruiter, who is there each day from 9 a.m. to 5 p.m., or call EM 8-1185, Redwood City.

Special Election Seems Doubtful In Annexation Matter

Excitement flared almost to an anger pitch Monday night as the city council, meeting in public session, aired its views on appointments to the fire department's executive staff and to annexation of undeveloped territories west of Daly City.

The meeting was attended by only a dozen or so spectators, although more outspoken than the usual attendance at sessions of the city's governing body. The discussion on fire department appointments was confined generally within the council, while annexation brought forth opinions from an avowed opposing citizen faction.

Appointment of Lawrence Kennedy and August Benassini to the two battalion chief posts, on recommendation of the board of fire commissioners, brought dissension from Councilman Melford Battye. Although the two proposed appointments were recommended on the basis of their first and second placement in the civil service examination list, Battye charged that the commissioners' board had been out of line in recommending them by name instead of by placement.

Fire Chief Elmer Kennedy volunteered that Tom Joyce, third man on the battalion chief eligibility list, had withdrawn his bid. The council, however, passed on the appointments over the dissenting vote of Battye.

With the introduction of an ordinance approving annexation of the huge Doelger holdings, the Westlake tract, west of Daly City, Councilman Battye again opened the opposing discussion. Reading a prepared memorandum to the council, Battye said:

"Because it is impossible for the citizens of the present (stories of) Daly City to file formal protest against such annexations (of uninhabited land), I submit that they should be asked, in a special election, to cast their votes in the matter."

The written memo was filed for further council discussion while the council declined to offer unsolicited endorsement of a special election. In answer to pointed questions Mayor Anthony Gaggero stated that he was "entirely in favor" of the annexation, and that he was "not prepared at this time to approve a special election without a formal petition for referendum."

The mayor's gavel was heard several times throughout the discussion, as enthusiastic speakers became confused as to who had the floor. While the point of argument had started over a referendum, the underlying question of annexation came up in informal bantering pro and con.

Approval of the annexation ordinance is scheduled for ballot at the next open council session. (Meanwhile, a petition for referendum was being circulated this week by a faction avowedly opposed to the annexation.)

Also under question Monday night was the mayor's recommendation, approved last month by the council, that the water department cease payment of a large share of the property owners' garbage collection bill. George Kirchhubel, local tavern keeper, submitted a complaint on the scavenger company's method of collections for garbage over and over the allowed 40 gallons per water meter. The question came up when City Clerk B. C. Ross read a letter from Thomas L. Bocci, attorney for the Daly City Scavenger Company, regarding the company's request for a 40-cent-per-meter raise.

The council agreed to investigate all such complaints before considering the raise request.

OLPH Whist Party Friday Evening

Games will start promptly at 8:30 tomorrow night, July 16, at the monthly whist party sponsored by Our Lady of Perpetual Help Church congregation.

Members of the arrangement committee are Mesdames A. Ricci, G. Rode, D. Schreiber and W. Regis. George Lombard and William Whalen will conduct the games. Mrs. Richard Ennis will serve refreshments.

Goings On At The Playgrounds

MARCHBANK PARK
By Glen Smith
By popular demand, Marchbank Park remained open on Monday, July 5. The attendance reached the highest for a single day in the past two years — 467 total.

Wednesday afternoon, David Cafferata, Jerry Gruenwald, Jackie Birad, David Rasmussen, and Glen Smith finished building the "Streak," which was the skate coaster entry for the vehicle day races at Jefferson playground.

Thursday was a gloomy day at Marchbank. The "Streak" piled up twice during its trial run. Jerry Gruenwald gave another skate, which was nailed on the car.

Friday, at 8 a.m., Dave Cafferata, Glen Smith and Carl Gruenwald raced Jerry Gruenwald's wire-skate "Buzz-bomb" to Jeff playground. The "Buzz-bomb" fized about the second block. The "Streak" held up traffic somewhat, but managed to reach the scene of the vehicle races. The "Streak" moved again and won two races, was judged the most unusual, and was given a gift to Danny Rasmussen.

A high jump and broad jump pit is being built for the track and field meet next Friday, July 16. Those who have signed up for track are David Rasmussen, Angelo Squire, Marcus Glover, George Gutta, Bobby Moore, Danny Rasmussen, Dick Tooke, Brian Eagan, Margo Gutta, Carol Glover, Joanne Blair, and Rose Elmg. Track practice will be held this week.

JEFFERSON HIGH
By Mary Fallo
The high school is busy signing up boys and girls for the track and field meet this Friday.

Friday night the adult folk dancing group met for the first time at the Colma Community Center. Twenty-two people turned out. A good time was had by all. If you want to learn, don't be shy. Come on down; beginners are most welcome.

The badminton and ping-pong tournaments are ready to start Tuesday.

Few of the boys have become interested in chess. If enough interest is shown, a chess tournament will be sponsored by the high school playground.

Tennis meeting last Friday was not very successful. Only seven kids showed up. Again we invite all those with rackets to attend.

CRAFT CENTERS
By James Kraynukel

The Craft Centers are making puppets. They are making the head with clay and then covering it with paper before painting it. Ross Benavides has his well on the way. Barbara Sawyer has been doing some woodburning which is a fine piece of work. The children were painting figures last week, and we hope to finish this soon.

The Peoria Craft Center children

are coming out, but we would still like to see more of them. I'm sure we can keep them busy while they are there. The hour and day for the old No. 4 firehouse or Peoria Craft Center is posted on the playground in the area. We are hoping that we will have a large group this coming week. Come to Peoria Craft Center and pass some of your time away enjoying yourself.

LINCOLN PLAYGROUND
By Jack Root

The heroine of the week is Jackie Chambers. She made all of Lincoln's 15 points in last week's Vehicle Day contest. She won the 100-yard and 440-yard girls' bicycle races and the girls' slow bicycle race. She's planning on accumulating many honors in next Friday's track and field meet to be held at Jefferson High School.

Several youngsters went with the director to Skateland at the beach. Among them were Bob Rich, Bob Potorian, Eugene Whinn, and Joe Cerreto. An enjoyable afternoon was spent by all.

Lincoln's softball team had a field day when they played Crocker Playground. We had to use our smallest players to keep the score within reason. The scores for the two games were 40 to 1 and 17 to 7. We hope to beat Marchbank when we play them Saturday morning.

This should prove to be quite a contest as Marchbank is said to have some very good players. The six leading softball sluggers last week were: Jennings, 700; Wilson, 667; Lorenzo, 647; Hennig, 636; Schmitke, 600; and Murcheson, 563. Wilson is Lincoln's most outstanding pitcher. Against other playgrounds he has won three games and has lost none.

Last Friday night Lincoln's basketball team played a practice game with the Jefferson High School playground, losing to them 48 to 21. We play them in a league game Tuesday night. Lincoln is all out to give them a good tussle.

Sign-ups have been started for the track and field meet Friday. We hope to make a good showing. Much interest has been shown already by the boys and girls at Lincoln.

CROCKER PLAYGROUND
By Elna Eichner

Crocker contestants walked away with their share of prizes last week in the all-city Vehicle Day races. Philip Phillips, riding Gerry Smith's "Maroon Streak," won the eight-year-old-and-under race and grabbed the award for best decorated coaster. Pat Phillips and Sandra Faulk each received first awards in their age groups for coaster manipulating.

In the 50-year girls' bicycle dash Crocker-Amazons' Maxine Faulk crossed the finish line to claim third place.

After taking the softball count twice from Lincoln last week the Crocker nine staggered to its feet this week to try to outslug "little Jeff." (Score unknown at press time.) Team regulars are Dave Martinez, Ronnie Quint, Merrilee Faulk, Maxine Faulk, Martin Verce, Gil Newcomb, Gary Carlson, Tom Majia and Buddy Frances.

SPORTS SHORTS

By Ralph Capps

The Barbara Jensen whose name you have seen in sports headlines so much lately is the same Barbara Jensen who resided in Colma not so long ago.

Young Miss Jensen is now living in Oakland and represents the Athen's Club of the same town. The shapely Miss won her way to the Olympic trials finals by winning her heat in the 100-meter backstroke in 1 minute, 9 seconds.

By placing third in the finals on the following day, Miss Jensen won a berth on the American Olympic swimming team. Remember when she worked out at the Jefferson pool?

Louis "Choo-Choo" Tsoutsouvas, varsity football coach at Jefferson in 1941, was named head football coach at Humboldt State College last week.

Since we saw him last, Tsoutsouvas (pronounced Tsoutsouvas) served with an Army antiaircraft artillery unit and more recently coached at Ventura Junior College.

Among the names on the list of prize-winners in the recent Hole-in-One tourney at S.F. were Daly City's Leslie Volkman and ex-Jeffersonian John Razzari. These men placed with 1 foot 11 inches and 3 feet 7 1/2 inches, respectively, two of the two hundred or so winners out of several thousands of entrants.

Crockerites are already grooming their kittens and puppies for the coming pet show.

MARCHBANK PARK
By Kathleen Schreiber

Wednesday noon a group of youngsters left Marchbank Park for skating at Skateland. Jane Kennedy and Pauline Lugliani managed to stay on their skates the whole time.

AT JEFF
Tables were turned during folk dancing Thursday morning when Cecilia Sullivan and her partner taught the directors a folk dance.

The girls did the folk dance Hopak and they willingly taught it to the directors to the other youngsters' enjoyment.

JEFFERSON SCHOOL
By Beverly Clement

Lovell Creighton defeated Ario Gregoria last week for the paddle tennis title. Tuesday our softball team will meet the Crocker nine on the home grounds for their first victory.

The checker tournament is all over with except for the finals. Those battling it out for top position are Ario Gregoria, Jim Fernandez, Donna Shulda, and Richard McDonald.

This week the tournament will be a basketball free-throw contest. Jefferson School's athlete of the week is Jim Fernandez, who won seven first places in the Vehicle races. These wins brought our grounds into second place for the day of racing.

Legion Juniors Lose Last Game To San Bruno

The junior baseballers of Daly City's American Legion Post No. 410 lost their final game of the peninsula league to a strong San Bruno nine Sunday. The scheduled seven-inning affair, played at Marchbank Park, was called at the end of the sixth because of a time limit.

San Bruno's Post pounded local pitchers Lynch, Gfroerer, and Donnelly for 15 runs while allowing three.

Though this was the local's last game of the American Legion Junior Baseball contest they will continue to play and practice for the remainder of the season. The boys still have several openings on their schedule and challenges from teams of Daly City, the peninsula, and the bay area will be accepted, provided that the challengers are within the 17-year age limit.

The junior baseballers' uniforms have been furnished by Neville Bros. of Daly City, dealers for the Ford Motor Co. Other equipment, including insurance, etc. is furnished by the local post.

Although their team has won only one game, the terminated league, the Daly City Legionnaires season can already be considered a successful one. They have afforded experience and enjoyment to 16 young hopefuls, and their season is only half over.

Pioneer Dies At S.F. Home

Funeral rites were held Monday for Charles F. John, 63, pioneer of Daly City, who died suddenly last Friday of a heart attack at his home, 95 Scott street, San Francisco.

A prominent resident of Daly City and Brisbane for many years, John was a member of a pioneer family which migrated west to San Francisco in 1904. In the fall of 1906, after the earthquake, the family came to Daly City to establish a home. The old family home still stands at 428 Santa Barbara avenue.

John and his wife Helen also were pioneer residents of Brisbane, establishing one of the first homes there. He had been a charter member of Aerie 1848, Fraternal Order of Eagles. For the past 13 years the deceased had been employed by the Schlage Lock Co. of San Francisco, and had made his home in that city during the last 11 years.

He is survived by his widow Helen; his daughter, Loretta John; two sisters, Mrs. Katherine Hammar and Mrs. Dorothy Harbaugh, and two brothers, Louis and Fred John.

SAN DIEGO: Mission Fiesta at Mission San Diego de Alcalá, July 17-18. A celebration commemorating founding of the Mission, first of the chain, in 1769. High Mass, parade, barbecue, horse show, and entertainment.

OFF THE BLOTTER

The particularly battered head of a common gopher attracted some bit of attention at the Daly City Police Department this week. The object was sent by special messenger to the State Department of Public Health at Berkeley for a disease test, which turned out negative.

Prompting the careful check by local authorities was the fact that the ill-fated gopher had stepped out of character and bitten the hand of a very frightened eight-year-old girl as she stooped to pet a dog. Must have been a jealous rodent. At any rate, his retribution came quickly. The gopher was immediately killed by the child's sympathizing playmates.

Jimmy Aghayani, 55, and Ray Averá, 34, were taken to Juniper Serra Hospital last Saturday in the county ambulance for treatment of minor injuries sustained in a car crash at Hillside boulevard and Castle street.

A car and the horse which crashed into it both sustained damages Sunday in a mishap at Mission street near Wilson. Hazel Reine, 918 Hanover street, riding last in a single file of equestrians, had just turned off Wilson street onto Mission when her horse swerved into a passing car driven by Carlos Morales of San Francisco. Neither driver nor rider was hurt. Damage resulted, however, to the right rear fender of Morales' car and the left rear leg of the horse.

A car belonging to B. J. Mullin of 356 San Diego avenue was returned to its owner Saturday, just a few hours after he had reported its theft to the San Francisco Police Department. The car was discovered by Nick Marsili, 38 San Pedro avenue, on an old road off Skyline boulevard. Marsili notified

The Daly City Police Department. A burglar with child-size hand and shoe prints made off with about \$3 last Saturday after ransacking the Emil L. Miller home at 170 Woodrow street. Reporting the break-in to the police, Miller said the money had been taken from his child's bank. The culprit apparently had gained entrance through the basement window, and left via the front door.

A Swiss-made wrist watch, stolen Friday night from the apartment of Maxwell Rosser in the Westlake Motel, was recovered by the police Monday. A 16-year-old houseboy who had been dismissed from the motel Friday admitted stealing the watch, and was turned over to San Francisco juvenile authorities for disposition.

The boy, traced to his home through the hiring agency which had sent him to the Westlake, told police "something had possessed him to take the watch" which was lying on the coffee table in Rosser's apartment.

A car belonging to James William Swan Jr. of Sharp Park was damaged Saturday in an accident at the intersection of Juniperoff Serra boulevard and the south leg of Highway 1. Driver of the other car was Herbert M. Wilbert of San Francisco.

SMOOTH TIRES

Smooth automobile tires should be recapped or replaced, advises the California State Automobile Association, since, in addition to danger of blowouts or skidding, they have a tendency to pick up nails and other foreign objects.

Inez Chelone Weds John Fitzgerald In Formal Rites

Miss Inez Chelone, daughter of Mr. and Mrs. James Chelone of Colma, changed her name to Mrs. John Michael Fitzgerald in recent formal nuptials at Holy Angels Catholic Church.

Escorted to the altar by her father, the bride was gown in ivory satin, with a fitted bodice and long sleeves; her full skirt ending in a long train. Her fingertip-length veil fell from a sweetheart crown. White stephanotis and orchids made up her bridal bouquet.

Attended by her sister, Violet Chelone, as maid of honor, Inez chose Miss Ivah Fugina, Miss Ann Fitzgerald and another sister, Mrs. Mildred Sanguinetti, as bridesmaids. The attendants were dressed identically in summer gowns in pastel shades, each carrying a bouquet of red roses. Their hats were heart-shaped.

Standing as best man was Walter Matland, while Thomas Tromborg Jr., Ricco Sanguinetti and Brandon Fitzgerald escorted guests to their seats.

Miss Miriam Fitzgerald, the bridegroom's sister, and Mrs. Chelone welcomed some 500 guests at a reception in the Serbian Hall, 225 Valencia street. Miss Fitzgerald donned a black satin gown for the occasion, with a black and gold hat. Mrs. Chelone wore a black bolero suit. Each was presented with an orchid corsage by the bridegroom.

After a week's honeymoon in Los Angeles, the justwed Fitzgeralds have made their home in Colma.

The bride, a graduate of Jefferson High School, is employed as a private secretary in the Colma health office. Her husband, also a Jeff alumnus, was graduated from San Mateo Junior College and spent two years in the navy. He is employed as a plumber in San Bruno. John is the son of Thomas Fitzgerald and the late Mrs. Fitzgerald.

Sharon Jean Arata

Services were held Monday for Sharon Jean Arata, year-old daughter of Mr. and Mrs. William Arata of Petaluma, who died last Thursday after an illness of five weeks' duration.

Mass of the Angels was recited at Corpus Christi Church, after services at the Valente, Marini Perata Mortuary chapel. Interment was in Holy Cross Cemetery. Sharon was the sister of William Jr., Dolores and Donald Arata; the granddaughter of Mr. and Mrs. Louis Arata and the niece of Mr. and Mrs. George Arata of the Excelsior district.

LICENSES OUTSTANDING

There were a grand total of 4,793,696 drivers' licenses outstanding in California as of April 30, 1948, according to the National Automobile Club. Of this total 4,363,265 were operators' licenses and 430,431 chauffeurs' licenses.

Michael Massaglia

Funeral services were conducted Monday from the chapel of Valente, Marini, Perata Mortuary for Michael Massaglia, 65, who died last Friday at the Villa Sanitarium.

The deceased, a native of Italy, had been a retired blacksmith, residing in Colma for several years. He is survived by two sons, Leandro and Arthur Massaglia, and two daughters, Norma Varni and Nilda Majeski.

Services were held Monday, followed by mass at Holy Angels Church and entombment in Holy Cross Mausoleum.

RURAL ACCIDENTS

Reportable traffic accidents in California's rural areas increased only 4 per cent during the first five months of 1948 as compared with the same period for 1947, reports National Automobile Club. This was despite an increase of 10 per cent in population, miles traveled, and vehicle registration. A similar comparison in injuries and fatal accidents shows an increase of only 2 per cent and 4 per cent respectively.

Facts About Ford Rebuilt Engines

your best assurance of satisfaction in the Rebuilt Engine you buy from us.

Here's Why:

- They are completely rebuilt to exacting factory standards.
- The job is done by authorized Reconditioners selected for their ability by the Ford Motor Company.
- Time and care is taken to assure the best possible job. Only parts capable of proper reconditioning, and new parts, are used... reconditioned parts kept to a minimum... blocks and crankshafts tooled within safe limits... checked with precision instruments.

Before you buy any rebuilt engine, be sure and see us first.

Ford There's more than just price to consider when you buy a rebuilt engine. You have a right to know what you're getting for your money. You can be sure of top workmanship, and dependable power when you get one of our Ford Reconditioned Engines.

We've built our business through years of honest service. The reputation we've gained is

Bjerknes To Attend International Meeting
Jacob Bjerknes, professor of meteorology in the University of Oslo, will attend the International Union of Geodesy and Geophysics to be held July 19-28 in Oslo, Norway. Bjerknes will attend the first year's meeting of the international society. The last prewar meeting was held in 1939 in Washington, D.C.

Professor Bjerknes will attend the meeting in his official capacity as secretary of the International Union of Geodesy and Geophysics. He will also present a scientific paper at the meeting.

The International Union of Geodesy and Geophysics is an association of scientists who represent the several fields which relate to the study of the earth and its dynamics.

Over D.C. Team Renner Nine Wins

The Walter Renner Real Estate baseball team defeated the Daly City Merchants by a 17-5 score Sunday.

Dave Leon was given credit for the win. Doubles were hit by Frank Sobel, Jack Boyajian, Sam Paul, Jack Cooney, Nick Petropoulos, and Bob Boyajian.

odyssey and Geophysics is an association of scientists who represent the several fields which relate to the study of the earth and its dynamics.

St. Michael's Women To Sponsor Spaghetti Luncheon, Whist Game

A spaghetti luncheon and whist game is being planned this week by the Immaculate Conception Sodality of St. Michael's parish, for next Wednesday, July 21.

The luncheon will be served at 12:30 p.m. in the parish hall, 32 Broad street. Chairman of the affair is Miss Yolanda Bernardi.

HOW AND WHEN
A sure mark of the careless driver is the one who fails to give arm signals or gives careless and belated signals, points out the California State Automobile Association. Drivers should signal correctly and in ample time to prevent an accident.

Set September 10 As San Mateo Co. "Day" At State Fair

San Mateo County Day at the California State Fair will be September 10. Civic and other organizations have been charged with arranging appropriate programs to present the important part San Mateo county has played in the over-all greatness of California.

The county is one of 42 which will have exhibits at the Fair. The display will be located in the beautiful Hall of Flowers, calling attention to the great floriculture industry of the county. The Fair will be held September 2 through 12 in Sacramento.

County Clerk W. H. Augustus, acting for the board of supervisors, in a letter to Fair Secretary Manager Ned Green, requested this County Day and promises a program of interest to San Mateans and all Californians. County Agricultural Commissioner Max J. Leonard is program chairman.

Other County Days already assigned are: September 5, Yuba;

NEW U. C. CANCER WARD OPENED

One of the world's unique laboratories for the study of cancer, the University of California Laboratory for Experimental Oncology, has gone into full operation with the recent opening of a ward for human research patients.

The laboratory is a cooperative venture of the University's Medical School and the National Cancer Institute, financed by the U. S. Public Health Service, and quartered in the Laguna Honda Home by the City and County Health Service.

A four point program of the laboratory includes the study of the electronic characteristics of normal and malignant growth, with such tools as supersonic waves; investigation of the nature of changes in the whole body brought about by cancer; the experimental chemical treatment of cancer with new agents; and a fundamental study of the characteristics of human malignant tissue.

Work in some of these fields has been in progress in cooperation with San Francisco hospitals since the laboratory was established in January, 1947. Full scale operations have awaited the opening of the new ward.

September 7, Sacramento; September 8, Stanislaus; September 10, Siskiyou, Contra Costa and Fresno; September 11, Lassen, Alpine and Santa Barbara.

"All counties of the state, including the few which have not reserved space in the Agricultural Building for a county display, have been invited to select County Days and stage special programs," Green said.

Sixth Army Now Preparing Part In New Forces

General Mark Clark, commanding the Sixth Army, which comprises the eight Western States, stated last week that the Sixth Army is engaged in planning for its part in the Department of the Army's plan for an 18-division army.

This 18-division force, General Clark said, is to be an initial mobile striking force, consisting of twelve Regular Army divisions and six National Guard divisions, with certain Regular Army, National Guard, and ORC supporting units. This 18-division army is to be fully organized, equipped and trained to a maximum extent during the fiscal year ending June 30, 1949.

General Clark stated that the Department of the Army is now establishing policies which will direct maximum efforts in the Army toward the organizing, equipping, and training of these eighteen divisions. The Sixth Army commander stressed that the new 18-division army does not lessen the overall mobilization requirements of the United States, but defines in terms of divisions initial D-Day force, toward which the immediate efforts of all elements of the Army are to be directed.

General Clark stated that a complete official copy of the new Selective Service Law has not yet been received, but he is furnishing a summary of the Selective Service Act of 1948 to the recruiting stations in the eight Western States to assist military personnel in answering queries from the public. The Winslow Boy

Now Playing at Geary Theatre

"Winslow Boy," Terence Rattigan's famous international success, is now being presented at the Geary Theatre, San Francisco, by the Theatre Guild, Tennent Ltd. of London and J. Wilson. The engagement continues until July 31 with matinees nightly except Sunday Wednesday and Saturday.

Plays of the last few years have achieved the popularity of "Winslow Boy," which ran two months in London and all last season in New York, winning the New Drama Critics' Circle prize for best imported play of the season. The alternate episodes of and humor the playwright, "O Mistress Mine," in the Lunts started, tells of a young man who fights to clear the name of his young son accused of theft. "The best play England has sent us this year," wrote Atkinson of the New York Herald-Tribune, pronounced it "a masterpiece." According to a reviewer of the Toronto Mail and the play possesses a warmth, gentle laughter, and impact.

The same noted company from London for the New engagement will be seen here in the leading roles acted by Webb as the father, Valerie as the daughter, and Allenby as the barrister who is the accused lad. Sixteen and Michael Newell will have the role which he created in London production and has more than 700 times. Directed by Glen Byam Shaw and the set by Michael Weight.

Orders for any performance sent to the Geary Theatre should be accompanied by a stamped envelope for return of tickets. San Francisco critics are unanimous in praising both play and performance of the most distinguished theatrical events of recent seasons.

New Machinery Proves Costly For 1949 Model Fords

Tooling, manufacture and purchase of new machines and the rebuilding and redesigning of others to produce the 1949 Ford cost approximately \$72,000,000 and required 10,000,000 man-hours, D. S. Harder, vice-president and director of manufacturing, said today.

Of this, \$37,451,000 was spent designing, fabricating and trying out special machines, tools, dies, fixtures and jigs at Ford plants. This required approximately 6,000,000 man-hours.

In addition, it cost another \$34,615,567 to purchase, install, tool and try out other machinery, and to replace or renew parts on existing machines for production of the 1949 Ford.

In Ford's own tool room — the largest in the world — and in the tool rooms of Ford suppliers 4,000,000 man-hours were spent in the actual manufacture of the tools to make parts for the new model.

Draftsmen turned out 4,600 completely new parts prints and production drawings for bodies, chassis and engines for the cars. Ford itself is manufacturing nearly 2,000 of the major parts for the cars; the balance will be made by suppliers.

While scores of new machines for this work were built at the Rouge plant, available machines also were utilized and numerous operations were combined which help substantially to offset additional increases in machinery and equipment costs.

Mrs. Eve Hobbs, New PTA Health Chairman, Broadcasts Last Week

A vast new safety program instituted for 17th district schools for the 1948-49 year was launched last Friday when Mrs. Eve Hobbs, prominent Parent Teacher Association worker and newly named chairman of safety for the district P.T.A.'s, outlined her work over a KVM broadcast from San Mateo.

The Daly City woman, who will supervise the Parent-Teacher sponsored program for 50 schools in the district, spoke last Friday on safety measures at vacation time—the first portion of the year's work.

BE MENTALLY ALERT

Be mentally alert while driving, advises National Automobile Club. A moment of inattention at the wheel might mean a lifetime of regret.

Chrysler Dealers Sponsor "Animal World Court"

Humane societies and similar groups dedicated to the welfare of pet animals are reporting a brisk and highly-favorable reaction to the new radio program, "Chrysler Dealers' Animal World Court," now running in this city and 32 other sections of the country. This five-minute transcribed program is sponsored by Chrysler dealers, either as groups or individuals, with the full approval and cooperation of local humane agencies.

One of its main purposes is to find homes for pets that must be given up by their owners and to find pets for persons who are seeking them. Another purpose is to aid owners in the care, training, feeding and medication of pets. To this end, a free booklet is being given away by all Chrysler dealers participating in the program.

In all cases, the actual placing of pets is done through the local welfare agencies, thus promoting contacts between these agencies and the public and giving an increasing number of persons information on the purposes and operations of these fine organizations. Although the program has been on the air a relatively short time, a large number of pets have found homes through its broadcasts. In Detroit, for example, the Humane Society reported that it had placed 48 dogs in a single day.

The subject matter of the broadcasts is mainly factual stories of the courage, intelligence and devotion of animals. As there are some 18,000,000 dog-owners in the United States, there obviously is a large and receptive audience for material of this type.

In almost every case, time has been secured between 6 and 7 o'clock p.m., an hour at which there is most likely to be a full complement of the average family at home.

Typical of the reaction to the program is a case in Palo Alto, California, where a family, after turning its dog over to a welfare agency to find a new home, was so impressed by the broadcast story of another dog that had heroically saved a child from death in quicksand that it immediately reclaimed its own pet.

KEEPING COOL

Motorists whose vacation plans mean crossing of desert areas will do well to drive these sections during the early morning or after sundown, according to the National Automobile Club. Air coolers that fit on the side of the car are practical, but many motorists do not feel the investment worth while for occasional use. Dry ice may be used but must be carefully handled and some form of attachment arranged for placing under the front cowl ventilator, in order that the cool air will be circulated throughout the car. With the use of dry ice comes the warning that rear windows of the car must be kept open to permit the fumes released to escape. This is an important safety measure.

Winnie Grant, one of Daly City's contributions to the theatre world, poses above in a costume she wears for character interpretations on toe. Appearing as Lynne Grant, Winnie dances in west Coast shows, aiming at a career on the New York stage.

Receipts Go Up In Recorder's Office

A total of \$12,665.65 was received by the office of County Recorder T. C. Rice during the month of June, 1948, as compared with \$9,148.26 for June, 1947.

Number of papers handled by the recorder's office last month was 5,154. A total of 5,038 papers was handled during the same month last year.

Correction

Miss Carol Gesenger, who was feted recently at a miscellaneous bridal shower given by her aunt, Mrs. Melba Watson, is the daughter of Mr. and Mrs. R. C. Gesenger of 113 E. Vista avenue.

In last week's edition of the Record, an account of Miss Gesenger's shower stated that she was the daughter only of Mrs. Gesenger.

No Increase Seen In Polio Cases In San Mateo County

Poliomyelitis, the dread paralyzing disease which earlier this year was expected to increase in San Mateo County during the summer, has shown no increased incidence so far.

Case expectancy in the county for the month of June was two, based on records for June, 1947. The two cases of infantile paralysis in the county this month are at Menlo Park, at the southern end.

According to Harold D. Chope, county health director, there will be several more sporadic cases during the summer, but "judging from the experience of June and the earlier part of the year, it does not now appear that we need particularly fear in this county a serious outbreak of infantile paralysis for the summer of 1948."

8:30 p. m.—Meeting, Court St. Mary No. 1155, CDA, Masonic temple, 17 Hillcrest drive.

Complete Survey On Charter Study

The San Mateo County Charter Study Committee, appointed a year ago by the Board of Supervisors announced today it has completed its survey and is now working its final report which will be submitted in a few days. The report will recommend charter amendments to be approved by the voters at the November general election.

Although not disclosing details of its recommendations, a committee spokesman said today, proposed changes aim to correct the long standing feud between County Executive and Board of Supervisors and also bring about needed improvements in present governmental setup.

The committee is headed by J. D. Bromfield, store executive living in Hillsborough, and the members are: Joseph J. Hea, Mayor of San Bruno; Frank Burrows, construction company head, Burlingame; Thomas B. Hater, retired U.S. Secret Service executive, Atherton; George Dunn, publisher, Half Moon Bay; James J. Joy of San Carlos, president of the San Mateo County Central Labor Council, and Mrs. R. and Heumann of Hillsborough, retary.

RITES Barbara Ford is Ben Parodi White Ceremony

Barbara Ford, daughter of Mr. and Mrs. J. H. Ford, was married to Ben Parodi, son of Mr. and Mrs. J. H. Parodi, in a white ceremony at the home of the bride's parents, 1515 S. 10th St., Sunday, July 12.

The ceremony was officiated by Rev. J. H. Stewart, pastor of the First Methodist Church. The bride wore a white gown and carried a bouquet of white flowers. The groom wore a white suit and carried a sword.

After the ceremony, the couple was entertained at a reception at the home of the bride's parents. The reception was attended by many guests, including members of the Ford and Parodi families.

Nebraskans Here On Visit With Pete Markoviches

Mr. and Mrs. Lloyd Renecke of Schuyler, Nebraska, parents of Mrs. Peter J. Markovich, are in Daly City this month awaiting the birth of young Frank — or young Marjorie — whichever the offspring may be.

Around town for the last two weeks, the Reneckes and their son, Robert, have been entertained at the Lake Merced Golf and Country Club, and have made the rounds of theatres and tourist attractions in the Bay Area.

The Pete Markoviches are expecting the arrival of their first, later this month.

The young daughter of the Edward F. Grants of 119 W. Moltke street currently is dancing in Winnemucca, Nevada, after an engagement earlier this month at the San Diego County Fair and brief stands in Los Angeles. Specialty

among Winnie's novelty routines is a character dance on toe.

A student now of Juanita La Bard in San Francisco, the Daly City dancer began her studies with the San Francisco Ballet company while still attending Jefferson High. Under the assumed name of Lynne Grant, she began her professional career right here in the Bay Area — at the Skyroom in Chinatown.

Winnie confines her engagements, as a rule, to the west coast. But she hopes, eventually, to take her talents to New York — and make her success on the Broadway stage.

CLARK GABLE has a new screen sweetheart in Deborah Kerr, noted English star, who makes her first appearance in an American film opposite Gable in "The Hucksters," current attraction at the Crest Theatre. The M-G-M filmization of Frederic Wakeman's explosive best-seller novel also features Sydney Greenstreet, Adolphe Menjou, Ava Gardner, Keenan Wynn and Edward Arnold.

Daly City Club Wins -- Loses

The D.C. Baseball Club has entered the night league in S.F., playing for Corbett's Liquor and with their sponsors name. They have won their first game 4-2 over Chelini's Dugout, a top-rated team.

This week the Corbett's Liquor nine was to have played its second elimination game against Harrison Athletic Club at Funston. The winner of this game (too late for this edition) will enter the Funston Night League along with the eight other survivors of the original 27 teams.

The 4-2 victory was the first game that the locals have played under the area and they really looked terrific.

Corbett's pitcher, Brabbit, allowed the two runs in the first inning and only five hits the entire game. The Krohn-to-Pezola combination picked two runners off at first base. Herman Sick got the smash hit of the season. It was a home run from the time that he layed into it until much later when the left fielder caught up to it way out in left center. The umpire called Sick back to second, however, saying that he didn't touch third. They did credit him with a double and two runs batted in. Sick was the real hero of the day. He not only drove in the two winning runs, but he made the most beautiful "hand-stab" catch that announcer Sam Levin or many of the spectators had ever seen. This circus catch probably saved the game for the Corbett team.

Still playing Sunday ball under their original name (Daly City Baseball Club) the boys were not so fortunate at South San Francisco last week.

Georgie Bournellis, having trouble with his sore arm, allowed five runs in the first three innings before he was relieved by Brabbit.

Excelsior Shoppers To See Movies On Home Canning Methods

Motion pictures on home canning will be shown next Monday night at the meeting of the Excelsior Shoppers Club in the Community Methodist Church at Geneva avenue and Vienna street.

The Shoppers Club is one of eight neighborhood groups known as the San Francisco Council of Women Shoppers, or "Mamma's O.P.A." The council was formed to combat the high cost of living.

Colma B.C. "B's" Shutout Bay City

The Bay City Pharmacy was a victim of a shutout dealt by pitcher Henry Morgan of the Colma Boys Club B's last Sunday.

Morgan allowed only three dribbling hits, one through the pitcher's box and two short bunts down third.

Morgan's rival pitcher also allowed Colma only three hits, but they were "goodies." "Pop" Gianni singled in a run, Harold Mosman doubled and Max Kline singled. The other three runs were scored on walks and errors.

The "Bees" had plenty of sting Sunday.

SHASTA DAM
Shasta Dam, located 13 miles north of Redding in Shasta county, is reported by National Automobile Club to be the second largest concrete dam in the world. It is 560 feet high, 3,500 feet long, and 580 feet wide at the bottom.

Three more runs were scored off Brabbit and South San Francisco stayed off a six-run rally in the seventh to win 8-6.

Catcher Harry Krohn and first sacker Neil Pezola again trapped two runners off first. Khron also threw a man out at second and put another out at home.

Freeman Hurls Shutout Win; Fazio Aids South All-Star Victory

By Ralph Capps

On July 4, the same day that Fred Fazio was pitching in the Texas All-Star game, his fellow Daly Citizen Bill Freeman was pitching a one-hit shutout in Washington.

It was a 6-0 victory for the Yakima Packers of the Western International League. The first man to face Freeman cracked out a double, but from then on for nine full innings, not another man was able to hit. This real gem was one that the Yakima ball fans will not forget for a long time, especially since it was one of their few wins, of which Bill has pitched seven.

The left hander's record of seven wins and four losses is very impressive indeed. He has won 63 1/2 per cent of the games he has pitched, while Yakima has won only 40 per cent of its games.

Freeman has also won several games with his powerful hitting. Since his shutout victory of Independence Day, Bill has played two games in left field, and he has hit a triple in each game. His second triple drove in two runs. Some are already calling "Lefty" Freeman a second Bob Chesnes. If he keeps it up you'll be seeing him in Seals Stadium next season with his successful pal, Con Dempsey.

Fred Fazio pitched two innings of the annual Texas North-South All-Stars game on the Fourth of July.

Fazio allowed two hits and two runs in this 8-6 victory for his team and smashed a double, driving in two runs.

He was one of five pitchers to take turns doing the chucking chores for the South. Each pitcher hurled two innings. The official program for the game included a picture of the Daly City boy and bouquets of fine adjectives.

In his last league outing Fred won an 11-1 victory for Abilene against Albuquerque, and allowed only two hits. Next to his shutout a couple of weeks ago, this was "the long-one's" best game.

The two-hit victory brought Fazio's season record up to nine wins and five losses — a darn good record in any league.

Marriage Licenses

Issued recently to: Daniel Lucchesi, 20, 213 Victoria street, and Catherine Biancalana, 17, Daly City.

Calvin Brown, 51, Daly City, and Selma O'Connor, 51, 1038 Ellis street.

"Marchbank" Wins Vehicle Races At High School Friday

Marchbank park was again victorious — coming out champ in the Vehicle Day races last Friday with a score of 105 points. Runners-up in the mobile competitions were Jefferson, 59; High School, 37; Crocker, 21, and Lincoln, 15.

Outstanding individual performer of the day was Jim Fernandez of Jefferson Playground, with seven firsts in the 13-15-year-old class. Jim's firsts were recorded in the 100-yard, 440-yard, and 880-yard bicycle races; 50-yard slow bicycle ride; home-made four-wheel coaster race; tie for first with Marchbank's Angelo Squeri in the paper throw for accuracy, and first in paper throw for distance.

Dick Tooke was individual high scorer for Marchbank, with Danny

Rasmussen and Angelo Squeri also scoring high.

In the girls' competition, Jackie Chambers of Lincoln Playground, in the 13-15-year-old class, was outstanding, taking three firsts. Betty Marsh, of the high school grounds, was runner-up in this division.

Jeff Marsh of Marchbank, and Sandra Faulk of Crocker tied for high point honors in the girls' 9-12-year-old competition. Each won out in two events.

Robert Rocchi, of Jefferson, had the best decorated bicycle. The best constructed home-made vehicle award went to Jimmy Marsh of Marchbank, while Danny Rasmussen, also of Marchbank, presented the most unique vehicle. Philip Phillips of Crocker and Harriet Rasmussen of Marchbank won in the decorated scooter and tricycle competition.

More than 300 youngsters enjoyed the events.

Sixty-six boys and girls participated in the Daly City roller skating party held at Skateland at the Beach on July 7. The youngsters were accompanied by their respective playground directors. Largest number participating represented the high school playground.

MATTRESSES

We will renovate your spring mattress. All other mattresses such as cotton, floss, and hair can be exchanged for a new spring mattress for a trifle more than the price of a renovation.

A dog's best friend is his man

In all of Nature, there is no counterpart for the deep, age-old friendship between man and dog.

A dog is a social creature. He is a member of human society.

In return for a little kindness, he is ready to give a family all his love, his devotion, his labor, and—if necessary—his life.

Just as people need dogs, so do dogs need people.

And that is why the work of the Humane Societies of this country is so important.

Your local Humane Society helps families who are looking for dogs, and dogs who are looking for families.

It offers expert advice to dog owners on the intelligent care, feeding and training of their pets.

In some cities it provides skilled veterinary service for sick pets, regardless of the owner's ability to pay.

And it performs an important safety service by caring for hundreds of strays that would otherwise wander the streets, a potential menace to health.

YOUR CHRYSLER DEALER

MISSION AUTO COMPANY

6465 Mission St., Daly City

Your Humane Society stands always ready to help you. It, in turn, deserves your help.

For this reason, the Chrysler Dealers are sponsoring a radio program, "The Animal World Court," designed to make you better acquainted with the activities of these useful groups.

As an organization devoted to service, we are proud to be able to help the country's Humane Societies in their generous and kindly work.

FREE BOOKLET—"HOW TO TAKE CARE OF YOUR PET." Explains the do's and don'ts of care, feeding, training, breaking bad habits, etc. Stop in at your Chrysler dealer's for a free copy.

Edward Kemmerling

Funeral services were held yesterday for Edward P. Kemmerling, 73, who died last Saturday at his home, 70 Liebig street.

A member of the Piledrivers and Bridge Builders Union, local 34, he had been a retired piledriver. He also was affiliated with the International Order of Odd Fellows and the Fraternal Order of Elks.

Services were conducted at the chapel of W. C. Lasswell, followed by interment in Cypress Lawn Memorial Park.

Survivors include his wife, Emma Kemmerling; two daughters, Mrs. Matilda and Mrs. Emma M. Clark; sister, Mrs. Frederick Hoffler; and two brothers, John and William Kemmerling.

When it's trout planting time in the mountains

...P.G. and E. helps stock the streams

Packing in to remote lakes and streams high in the mountains go sure-footed pack horses with loads of trout...thousands of fingerlings "packed" in each specially

cooled can. They're on the last leg of the journey from the Burney Fish Hatchery... one of many fish conservation facilities built in California by P. G. and E.

Man's ingenuity improves on Mother Nature at the Burney Hatchery. Under natural spawning conditions, only 5% of the eggs laid in streams survive. Here 90% are hatched and cared for until they reach stream size, and are ready for planting.

"Planting" the baby fish helps keep California streams well-stocked. Many of these brooks used to be dry during the summer. Now the release of stored water from P. G. and E. reservoirs keeps most of them flowing the year 'round.

for the record
On P. G. and E.'s system more than 100 lakes and reservoirs aid fish conservation.
Since the removal of war time controls, P. G. and E. has spent \$225,000,000 expanding its far-flung system.
The huge building program, now in its third year, is going full speed ahead.

Work never stops on our power-building program
